SPECIFICATION FEATURES

Material

Paintlok non rustable steel back-plate with reflective gloss white powdercoat finish, with solid flat bar front accent with standard powdercoat finish attached to a P95 white frosted acrylic half cylinder lens with top and bottom lens.

LED

Alta #AL-R-1W-30 LED array to be mounted onto an Aluminum MPCB Board configured to the proper wattage. The LED arrays will be centered within the Lens area and mounted on a decorative white aluminum reflective plate.

Installation

Supplied with standard mounting hardware to mount to a 4" J-box or plaster ring

Driver

Specific Drivers will be matched with each different LED array configuration/wattage. Standard Driver features are:

- Constant Current
- 3 or 5 year warranty
- 120/277 multi-voltage power supplies
- IP66, IP67

Optics

Evergreen Lighting Website for complete photometrics.
